- Edged carpets
- Good resistance
- Contract use
- Low minimum quantities

CLEANING AND MAINTENANCE

The Promo Mat carpets can be washed with water and neutral pH soap at 30° (no dryer). It's recommended to clean them with vacuum cleaner or brush and not to wisk them. It's recommended not to use chemical products. The use of water jets and Vaporella is not recommended. Is possible to sanitize the mat with special products purchasable on www.mat-en.com
